INTEGRATION OPTIONS

Choose the right model for you and your home. Miele offers the ultimate in convenience and seamless design integration.

Pre-Finished (“U”) Models

Pre-finished models are complete with control and door panel. Generally, these models are available in black, white, or Clean Touch Steel™.

Semi Integrated (“i”) Models

Integrated dishwashers have a visible control panel and are designed to fit with a custom door panel that reflects the cabinetry decor of your kitchen. Alternatively, Miele offers Clean Touch Steel™ panels for a more professional look.

Fully Integrated (“Vi”) Models

These units can either disappear into your cabinetry by adding a custom front panel or stand out as a robust appliance with a full Clean Touch Steel™ panel. The elegant stainless steel or black glass control panel is integrated on top of the door and is only visible when the door is ajar.

Fully Integrated (“SF”) Models

For convenience, Miele offers fully integrated, pre-finished models that are already equipped with a Clean Touch Steel™ door panel, a 4-inch toe-kick and straight door handle.

FEATURES & HIGHLIGHTS*

AutoDos

AutoDos with integrated PowerDisk®, automatically dispenses the correct amount of detergent in accordance with the selected program and degree of soiling.

Clean Touch Steel™

This innovative finish resists fingerprints, scratches and smudges. A special treatment stands up to aggressive handling – keeping the exterior cleaner and easier to maintain.

AutoStart

No matter where you are, use the Miele@mobile app to automatically start your dishwasher at pre-determined times.

FlexLine Baskets

These baskets offer incredible flexibility for loading and cleaning all kinds of dishware and utensils.

WifiConn@ct

For your convenience, use your WiFi to remotely operate and monitor your dishwasher at any time.

MultiFlex Cutlery Tray

With movable sections, the 3D MultiFlex Tray makes space where there wasn't any before.

Knock2Open

Our dishwashers can be perfectly integrated into handleless kitchens – the door opens automatically by tapping twice.

ExtraQuiet

This program reduces the sound emissions of the dishwasher cycle to whisper quiet levels.

M Touch S/VI

M Touch controls are both easy-to-operate and navigate. An intuitive swipe of the screen will quickly lead you to your desired selection.

BrilliantLight

4 powerful LED lights illuminate the dishwasher from the inside out – creating a crystal clear appearance.

QuickIntenseWash

Excellent cleaning and drying results for normally soiled dishware in 58 minutes.

SaniWash

When hygiene is especially important, this program offers temperatures high enough to remove germs from baby bottles, chopping boards, utensils, etc.

*Features depend on model.
